

The Partner For All Your Business Telephony Needs *Fixed Line: Mobile: Internet*

group buying
limited

Managing resources efficiently is a critical requirement for all businesses, a major component of your costs are telephony bills! Be it landlines, mobile or Internet services.

Group Buying Ltd understand your requirements and have designed tailor made packages with substantial savings of up to 70% on BT standard rates, excellent mobile packages and cost effective solutions for your internet needs.

Group Buying Ltd deal with **only** quality assured partners and all are registered and comply to BSI ISO 9001:2000.

You can expect:

- No minimum contract for landlines
- No interruption to service
- No need to change numbers
- No equipment to be installed (excluding internet services)
- No engineering visits
- Guaranteed service levels with compensation for non-performance
- Excellent rates on landlines, mobile and internet
- Top quality back office support
- Start saving within 14 days of sending us a copy of your telephony costs

Group Buying Ltd is offering a **FREE TELECOMS AUDIT**. All you need do is send or fax a copy of your telephony bill, just the first 2/3 pages with the summary, and we will contact you advising you of potential savings. This information will solely be used by us in assessing you communications needs and will not be passed onto other suppliers for any other purpose. ***Use the form overleaf as your fax header and fax to Joe Melia***

We would be more than happy to visit with you to discuss your requirements in greater detail. Please complete the slip form overleaf and fax or mail back to us
